Anniversary  
Homecoming  
2016**

*Celebrating our  
school and our  
community*

**Sterne turned 40 this year!** To celebrate we held a special 40<sup>th</sup> Anniversary Homecoming on September 10<sup>th</sup>. Alumni, Former Parents, Former Faculty, Faculty & Staff, Current Families - Everyone came to join in the fun.

It was a great opportunity to reconnect with old friends, visit with old and new faculty, and celebrate all the wonderful things going on at Sterne. We had photos and stories to share, all highlighting how Sterne has grown since 1976. There was the traditional taco truck, a hotdog cart, 70's music, and fun activities for kids.

We were honored with a special visit by Sterne founder, Val Anthony. We owe so much to her! The school remembered Val's late husband, Xen Anthony, with the Xen Anthony Memorial Garden located on the side of the school. Other guests were Larry Milburn, recognized for forty years of service to Sterne; and Tammy Messina, longtime faculty member, who has moved to Kansas.

## **Sterne Walkathon 2016** *Raising Funds for Experiential Week*

The Sterne Walkathon has been an annual student driven fundraising event for many years. Middle School students circled the park with a Colorwalk theme and High School students walked all around the city.

The students raised a record breaking \$26,000. The best year yet! These funds will support Experiential Week in April when students will take a variety of field trips and pursue special experiential based projects.
