Sterne is Moving!

In 2008 the Board of Directors adopted a Strategic Plan for Sterne School, which included the goal of finding a desirable campus that would allow the school to grow and further our mission.

We are happy to announce that we have found the perfect site to relocate the school and combine the two existing campuses at 838 Kearny Street in San Francisco.

The new campus can accommodate up to 240 students, with space for a full-size gym, art and engineering studios, and a science lab. We will be relocating our entire program this summer. Learn more at: sterneschool.org/about-us/838-kearny-project

What else was going on in 1976?

In 1976 the Cincinnati Reds won the World Series, the United States celebrated its bicentennial, and "The Muppet Show" aired for the first time.

Sterne Trivia Contest

In the Winter Alumni Bulletin we posed two trivia questions:

- *Do you know who Sterne is named for?*
- *Do you know why the mascot is a dolphin?*

Our winner is Rogan Farfan Sterne class of 19?? His winning answers are:

- *Sterne School is named after Val Anthony's mentor, Eleanor Sterne.*
- *The Dolphin was chosen as the school mascot for its high intelligence. Dolphins are also very social, a very good skill for students.*

For his winning answers Rogan received a Sterne T-shirt. Congratulations Rogan!

Dustin Senigar '10 and Head of School Ed McManis

Visit Us

We are always happy to see alumni visit our two campuses. Please drop by to say hello if you are in the area. A few weeks ago, Dustin Senigar '10 dropped by the Jackson Street Campus.

After graduating from Sterne in 2010 Dustin attended Mitchell College in Connecticut. When Dustin completed college in 2014 he lived for a while in Boston and then returned to the Bay Area last July. Even though he's wore a Giants sweatshirt when he visited, he said that he's also an Oakland A's fan. In fact, he'll be working for the A's as an Ambassador this season.

Dylan Krim. Middle School '16*

Dylan Krim stopped by to visit teachers and staff during his spring break from boarding school.

Our annual fundraising extravaganza took a different direction this year. We hosted a traditional auction gala at Bimbo's in San Francisco. The theme was *Fly Me To The Moon*, an evening reminiscent of the 60's, mad men mania, and Frank Sinatra serenades. Thanks to the generosity of our community we earned \$65,000 to benefit the arts programs at Sterne.
